Terms and conditions

I, signed below born on, declare that I've read and accept terms and conditions.

Terms and conditions

1. All persons may use the race track exclusively on their own risk and responsibility.
2. After entering the track, drivers are educated by the marshal or the track operator's assignee about the technical and other details of using the go-kart.
3. In their statement, recorded on a separate sheet and subject to the conditions stated therein, drivers give consent to the use of their data on their identity cards for the purpose of compensating for any damages resulting from their eventual acts leading to damage.
4. The go-kart track may be used only by persons who are not under the influence of alcohol or other drugs. Drivers are bound to observe the marshal's instructions. Failure to observe the marshal's instructions will result in immediate exclusion from the use of the track.
5. The single-person go-kart is only available to guests over the age of 14 (i.e. entering their 14th year of age on 1 January of the given year) and over 140 cm in height, in which case both conditions must be met! Proof of age must be provided in all cases by showing an identity card.
A declaration of responsibility must be signed by the accompanying person over 18 years of age.
6. Only children over 6 years of age may use the double go-kart, accompanied by a person over 18 years of age, provided that the staff considers that the child can be safely restrained based on their height.
7. It is NOT allowed to bring in cash or other valuables to the track.
8. The track operator takes no responsibility for the loss, destruction or theft of any valuables taken to the race track in violation of section 7.
9. Purchased tickets entitle their owners to use the track only on the day of purchase.
10. Any persons other than the drivers are PROHIBITED from entering the track!
11. Drivers are liable for any damages caused by them or the vehicle driven by them to the race track or the box.
12. Willful collision and abuse are PROHIBITED!
13. The rules as well as the instructions of the marshal must be unconditionally observed under any circumstance. Drivers who, during their use of the track, harm the physical integrity of others; intentionally hit other drivers out of the race track; arbitrarily leave the track; drive in opposite direction; hinder faster drivers; or do not observe the marshal's instructions, may be prohibited from using the track once they have been warned without result.
14. In order to protect the health and physical integrity of the drivers, the marshal may, in justified cases, temporarily or permanently restrict the drivers' use of the track – even beyond the cases provided for in section 11.
15. In the event of a breakdown or any other problem, drivers shall call the marshal with their hands held high while sitting in the go-kart.
16. Drivers may get out of the rented go-kart only in the box and only when all go-karts on the track have arrived and stopped in the box.
17. Go-kart is not a toy – it's a sports equipment. Accordingly, its use demands caution and attention. If the above rules are not met, go-karting may even be dangerous.
18. If a driver violates this regulation during his/her use of the track and thereby causes damage to the track operator or another driver, he/she shall reimburse any damages caused.
19. By signing this statement, the driver represents that he/she will pay any damages caused to any and all equipment by his/her negligence, willful conduct or otherwise.
20. The driver represents that he/she is aware of the basic rules regarding the safe driving of the vehicles made available to him/her.
21. By signing this declaration, the competitor agrees that his/her image and personal name can be displayed by the operator of HELL Kart circuit on the wall of fame.

How would you classify your go-kart driving experience? Please mark your answer with an "X".

- This is going to be my first go-kart experience.
- I am a routined go-kart driver.
- I am a professional racer.

Rules of conduct on the track:

- Using a helmet and a mask is required.
- Long hair must be covered by clothing or tied with a rubber band.
- Necklaces must be taken off or covered by clothing.
- Only drivers with a ticket may enter the pit lane, on call.
- Hitting your competitor within the stopping distance and intentional collisions are PROHIBITED!
- It is PROHIBITED to brake suddenly without a reason or to drive "zigzag" on the track!
- In the event of an accident, slow down and warn other drivers of the danger by holding your right hand high. Should you hit the wall of the track, DO NOT get off the go-kart. You must wait for assistance and warn other drivers of the danger by holding both hands high.
- After the race is flagged down, drive an in-lap at medium speed to the pit lane entry.
- Before arriving to the box, signal your intention to slow down and drive into the box slowly.
- Once arrived at the box, get off the go-kart only if all competitors have stopped.
- It is recommended to take off your helmet only after getting off.

This disclosure is valid until withdrawn.
